RE: October Quarterly Report (1998)/ Post Election Report (1998), 1997 Year End Report

Dear Sir:

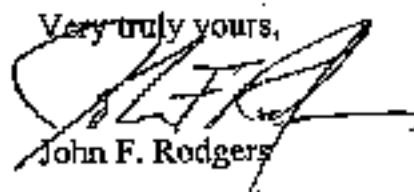

Per our telephone conversations and with regard to your requests for information, we hereby respond.

1. In each of the above referenced reports, you requested clarification regarding our administrative expenses. The Committee did not in 1997 or 1998 maintain any office, nor did it have any paid staff. The only administrative expenses which were allocated were bank service charges which were specifically charged by the bank solely to the Federal Account.

2. With regard to the October Report and the post election report you requested further information regarding the GOTV activities. These expenditures were exempt expenditures because they were sample ballot materials and absentee ballot registration information mailed to absentee voters.

I think this answers all of your questions, and if you need any further clarifications or explanations, please feel free to call me at the number stated above, and we will quickly respond to your questions. Thanking you for your help and assistance in this matter, I remain,

Very truly yours,

  
John F. Rodgers
